For our Trust, **staff and parent governors** carry over to the LGB on academisation. So their term started when they actually joined the Board. However, as the school after academisation is considered a new school, existing co-opted governors would commence a new four year term of office on academisation, if indeed they are re-appointed to the new LGB. We undertake an exercise whereby existing governors express an interest in remaining a governor of the school and are appointed by the Board of Trustees if they match the skills needed.
